

# Heavy Duty Scraper™

## Entrance Mats • Outdoor

Tufted cut pile manufactured with twisted and heat set BCF polyamide 6 monofilaments on nitrile rubber backing

- **Exceptional Durability:** Built to withstand heavy foot traffic and harsh outdoor conditions, providing long-lasting performance.
- **Effective Debris Removal:** The tufted cut pile design efficiently scrapes off dirt, mud, and debris from shoes, helping to keep your space clean.
- **All-Weather Reliability:** Designed for outdoor use, these mats resist the elements with their nitrile rubber backing and weather-resistant construction.
- **Recycled Materials:** Made with 100% Econyl regenerated BCF polyamide, these mats contribute to sustainability efforts while maintaining top-tier performance.
- **Slip-Resistant:** The nitrile rubber backing not only keeps the mat in place but also enhances safety by preventing slips and trips.
- **Low Maintenance:** With its heavy-duty construction, these mats require minimal upkeep, saving you time and effort.
- **Stylish and Functional:** Combining durability with a sleek design, the Heavy Duty Scraper™ mat enhances the aesthetics of your entrance while serving its practical purpose.
